ROSÉ CHAMPAGNE BY THE BOTTLE

Most of the best rosé Champagnes are made in the exact same way as non-rosé Champagne, however, the wines made from the black grapes are left on their skins longer to extract more color - thus the pink or salmon hue.

CHAMPAGNE BY THE BOTTLE

Chardonnay, Pinot Noir, and Pinot Meunier grapes are vinified often times together and sometimes individually to create the world's most recognizable wine. Depending on the winemakers' desire, a Champagne could be crisp, refreshing and reminiscent of granny smith apple all the way to rich, silky and smelling of baked bread.
